

# Dr Martin Challis

---

Leadership Coach  
L&D Creative  
Corporate Facilitator

Martin's driving passion and purpose - transforming lives through leadership and learning

Martin draws on a diverse background in business, education and the arts and his life experiences. He engages his creativity and enthusiasm to create learning environments and resources that foster lasting and meaningful change.

As a Leadership coach, Martin creates conditions for insight and positive behavioural change through an artful balance of inquiry, reflection, and action. He specialises in building capacity in the areas of leadership, communication, emotional and social intelligence, and practical mindfulness.

With a depth of experience in training and facilitation, Martin has worked with clients from a broad range of backgrounds throughout Australasia and leverages significant expertise in Coaching, Leadership, Presentation Skills, Facilitation, Emotional and Social Intelligence, applied communication, Culture Change, Leadership Capability, Learning Design.

An awarded educator, a published author and lyricist, and a corporate leader in the retail and creative industries, and a dedicated family man, Martin is committed to living life authentically and inspiring others to do the same.

“In some small way, to help uplift, shape and heal the world one conscious conversation at a time”
